7/ **Flip' tables**
design by Alexander Seiffied
available from www.richard-lampert.de

This folding table is a redesign of the archetypal coffee table and now available in a new range of colours from German manufacturer Richard Lampert. With its very slim format, it will look the part in any space.

8/ **Volet anodized aluminium hooks**
design by Dimitri Bähler
available from www.la-vague.ch

9/ **Kitchen Clock**
design by Anurag Etchepareborda
available from www.la-vague.ch

La Vague is a platform for design editions by Anne Julmy, Linn Kandel, Charlotte Talbot, Dimitri Bähler and Anurag Etchepareborda. By taking care of all ends of the business, from production until sending out the parcel, La Vague aims to offer affordable design products.

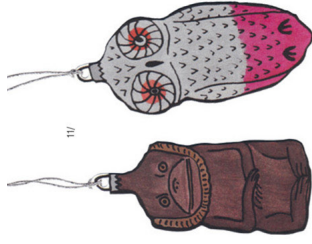

9/

10/ **„foulard confetti“**
design by Sibylle Sioeckli
available from www.louiseblanche.ch

This silk scarf with confetti-print is both elegant and playful at the same time. Louise Blanche ensures you look good on every occasion!

11/

11/ **„Monkey & Owl gift tag“**
design by le pigeon voyageur
available from www.pigeon-voyageur.ch

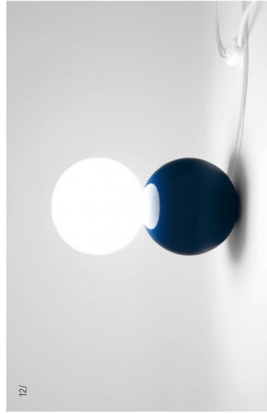

„Le pigeon voyageur“ is a collaboration between designer Naomi Baldauf and printer Rita Nicolussi. With good design and solid handcraft in mind, they create and produce premium stationery to this vanishing artisanship. You might even be inclined to take up hand writing cards, invitations and letters again!

12/ **„Ball“ lamp**
design by Big-Geme
available from www.tamaya.be

This combination of two balls, one for the lamp's socket and the other for the bulb, is the perfect eye-catcher for any room!

13/ **vaska backpack**
design by Jessica Rosen
available from www.superservices.ch

Nowadays, it's all about backpacks and this one is really pretty and boasts plenty of elaborate details as well. The two sisters Anika and Jessica Rosen produce them in small series - but only upon request.
